

EUROTRAMP® PLAY!

GAME & SOUND OUTDOOR-TRAMPOLINES!

Use impressive sound and LED effects on your outdoor trampoline! A generator under the jumping mat puts out 12V current during jumping activity!

8
FRESH
IDEAS:

"JUMP
THE GREEN
LIGHTS
OFF!"

"...AND
NOW ON THE
SEVEN!!"

1 REACTION TEST
with changing light positions.

2 CONVEY KNOWLEDGE!
Get students involved in learning: Generate and experience energy.

3 ENJOY THE MUSIC!
For sports and fitness exercises.

4 LISTEN TO STORIES!
Audio guides, children's stories...

5 PLAY YOUR GAME!
Music provides a great background to develop your own game ideas!

6 EXPLAIN YOUR PARKS!
Instructions and info.

7 INFORMATION ABOUT THE REGION AND NATURE!
Cooperation with the tourism office and city marketing.

8 SPONSORSHIPS!
Play advertising jingles and audio messages.

No external
energy source

required

**INNOVATIVE
ADD-ON:**
