

« MUSHROOM »

- ❑ Ideal for learning (reduces apprehensiveness)
- ❑ Makes trainings safer and more efficient
- ❑ Its “ground level” configuration promotes a technical training and a fast transition when difficulties are met
- ❑ Great stability due to its “cross-shaped” metal base with non-slip pads
- ❑ Can be used in different ways with accessories (**Ref. 3584 + Ref. 3583**, see page 2)
- ❑ May be used on the floor or at a height of 45 cm

TECHNICAL FEATURES

- ❑ 60 cm diameter
- ❑ Non-slip pads
- ❑ Ref. 3581 supplied with padded removable cover Ref. 3583
