

GYMNOVA	FP453-GB	UPDATE: 17/05/2016	REF. 3672	LOW BEAMS	MARKETING DEPARTMENT - W.ZOU
----------------	----------	--------------------	-----------	--------------	------------------------------------

LOW BEAM

- ❑ Ideal for learning new exercises
- ❑ Less stressful due to its small size
- ❑ Make trainings safer and more efficient
- ❑ Its “ground level” configuration makes the beam very stable
- ❑ Allows a faster progression for all gymnasts

GYMNOVA	FP453-GB	UPDATE: 17/05/2016	REF. 3672	LOW BEAMS	MARKETING DEPARTMENT - W.ZOU
----------------	----------	--------------------	-----------	--------------	------------------------------------
