GYMNOVA	FP613-F	UPDATE: 12/01/2024	REF. 3135	HIGH BARS ASYMMETRIC BARS	MARKETING DEPARTMENT O.SCHOFFIT
----------------	---------	--------------------	-----------	---------------------------------	---------------------------------------

TECHNICAL SPECIFICATIONS

- Adjustment range: 75 cm to 105 cm.
- Specific cables: 3 x 1.20 m
- Reduces the floor space of the mini-uprights

Customise your equipment by choosing from a variety of optional hand-rails according to your needs and the exercises you are working on.

Option of adapting hand-rails from:

- High bars **Ref. 3110, 3117**
- Asymmetric bars **Ref. 3260, 3265, 3268**

The mini-uprights are sold complete with cables but without hand-rails or landing mats.
